

**STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE**

**Docket No. 2015-02
Re: Application of Antrim Wind Energy, LLC
For a Certificate of Site and Facility**

August 16, 2016

**ORDER EXTENDING DEADLINE
FOR FILING SUPPLEMENTAL PREFILED TESTIMONY**

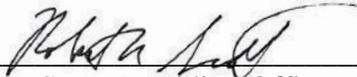

On March 25, 2016, a Procedural Order was issued in this docket, requiring all parties to file supplemental pre-filed testimony on or before August 15, 2016. On August 15, 2016, the Town of Antrim filed a motion to extend the deadline until Thursday, August 18, 2016. Additionally, Geoffrey Jones from the Stoddard Conservation Commission and Richard Block from the Non-Abutting Intervenor Group each contacted Committee staff and advised that they were having “computer issues,” which prevented them from meeting the supplemental testimony deadline. Informally, it appears that all parties have assented to the relief requested by the Town of Antrim, Mr. Jones, and Mr. Block.

The deadline for all parties to file supplemental testimony will be extended until midnight on Thursday, August 18, 2016. Further extensions will not be granted unless good cause is shown.

In addition, the parties are reminded that motions to extend deadlines should be filed within enough time prior to the deadline for all parties to respond.

It is hereby ordered that the deadline for the filing of supplemental pre-filed testimony is extended until Thursday, August 18, 2016, at midnight.

By Order of the Site Evaluation Committee, this sixteenth day of August, 2016.

Robert R. Scott, Presiding Officer
Site Evaluation Committee
